THE HOTEL AT AUBURN UNIVERSITY: A SHARECARE HEALTH SECURITY VERIFIED PROPERTY

The Hotel at Auburn University has been named among the first hotels in the world to successfully become Sharecare Health Security VERIFIED® with Forbes Travel Guide.

Hotels that have earned the Sharecare VERIFIED® with Forbes Travel Guide badge have done so by completing—and maintaining—verification on more than 360 global health security standards. The comprehensive facility assessment covers health and hygiene protocols, cleaning products and procedures, physical distancing, ventilation and air handling equipment, compliance and accountability and health safety communication with guests and employees.

The Hotel at Auburn University is one of only 29 properties to achieve this status globally.

AS PART OF THE CERTIFICATION, THE HOTEL AT AUBURN UNIVERSITY UNDERWENT STRINGENT PROTOCOL REVIEWS FOR:

- ✓ Administration
- ✓ Housekeeping
- ✓ Food & Beverage
- ✓ Human Resources
- ✓ Sales & Marketing
- ✓ Engineering
- ✓ Front Desk
- ✓ Valet Parking
- ✓ Culinary Operations

The certification includes the attestation of adherence to relevant hygiene and disinfection guidelines, physical markings for social distancing and safety of buildings.

Additionally, as an added safety measure, every employee of The Hotel at Auburn University must use a QR code to answer health screening questions prior to entering the building each day.
